#### Vision

To create an economic environment in the City of Hampton Georgia utilizing our historic downtown allowing old and new businesses to complement each other and flourish, and where revitalization projects are developed which thrive on the uniqueness of the City of Hampton Georgia. We will enjoy a diverse environment to share and engage with friends, residents, and visitors. This will all be accomplished through a community network, including business owners, citizens, leaders, and organizations like the library and senior center that bring people together.
